Canadian Nurses Foundation
La Fondation des infirmières et infirmiers du Canada

Congratulations to Deanne Curnew—the 2024 recipient of the ARNNL Education Research Award from the Canadian Nurses Foundation!

I am immensely proud to be part of this discipline and profession. From the bold and gritty hands-on environment of surgical oncology to the puzzling maze of community health case management to the inspiring academy of nursing education, the past 16 years have been full of exciting and challenging opportunities. At the centre, it is the way-of-being in the relational space of the human experience that keeps me choosing this career every day.

For more information about funding available through Canadian Nurses Foundation, please see the CNF website (www.cnf-ficc.ca).
